# Information to help you with completing the Standard Financial Statement (SFS)

## Please read carefully

To complete the SFS, please use the Guide to completing a Standard Financial Statement published by the Central Bank and available on its website at [www.centralbank.ie/regulation/consumer-protection/consumer-protection-codes-regulations](http://www.centralbank.ie/regulation/consumer-protection/consumer-protection-codes-regulations).

We at The Lough Credit Union are committed to working with customers who are in or facing financial difficulties to find a solution where that is possible. Before you complete this **Standard Financial Statement (SFS)**, please read the following information which will assist you with understanding the document.

## What is this Standard Financial Statement?

This SFS helps you set out your financial situation. After you complete it, we will assess your information as part of the **Mortgage Arrears Resolution Process (MARP)**. We will then explore what type of **Alternative Repayment Arrangement (ARA)**, from the options we offer, that is appropriate and sustainable for your individual circumstances. While it may look like a lot of information to provide, we only ask for the information we really need to help us to assess your financial situation and find, when possible, a suitable solution for you.

## Where can I find more information on MARP?

Our MARP booklet can be found on [loughcu.ie](http://loughcu.ie). The MARP booklet also provides useful information in the case where no alternative solution is offered to you.

The principles outlined in this booklet are aligned to the 2013 Central Bank of Ireland's Code of Conduct on Mortgage Arrears (CCMA), which sets out the framework that lenders use when dealing with members experiencing difficulty in managing their mortgage repayments on their family home. Under the mandate of CCMA there is a four-step process called MARP.

## Personal Insolvency Practitioner (PIP)

You can consult with a **Personal Insolvency Practitioner (PIP)** who is regulated by the **Insolvency Service of Ireland (ISI)**. PIPs have the expertise to help you reach a permanent solution to your debt problems. You can find information about the Insolvency Service of Ireland at [www.backontrack.ie](http://www.backontrack.ie)

They will talk you through the document and give advice about the supporting documents you may need to provide. Call the MABS helpline on 0818 072 000 and/or visit [www.mabs.ie](http://www.mabs.ie).

Abhaile is a service to help homeowners find a resolution to home mortgage arrears. Depending on your situation, Abhaile provides vouchers for you to get financial advice, legal advice or insolvency advice and help from experts. The vouchers are available through MABS.

Mortgage to Rent (MTR) is a government scheme to help homeowners who are at risk of losing their homes due to mortgage arrears. The MTR scheme is a social housing option only available if you are eligible for social housing support and your mortgage is unsustainable.

Other debt advisory services like a financial adviser: If you decide that you want a MABS adviser or a lawyer, accountant or financial adviser to act for you, we ask that you agree in writing for us to contact them. We will then work with them directly and will no longer contact you, except in relation to matters other than your arrears situation.
